

Float & Feast On The Rogue River

August 11th - 15th

Note - You must be able to walk 1/4 mile on uneven ground to participate in this trip!

Over 35 years ago, the Federal Government designated 44 miles of the Rogue River as "Wild & Scenic". This action protected the river's pristine canyons by limiting the number of visitors each season. The Rogue is one of the most popular whitewater runs in the world. Its rapids are exciting but relatively safe, its water is warm enough to swim in, the scenery is breathtaking with dramatic canyons, lush, green forests and crystal clear waterfalls. *What are you waiting for? Lets go!*
